COMPANY PROFILE

In February 2005 Hascol was granted an oil marketing license by the Government of Pakistan and since then, Hascol has been engaged in developing a retail network under the Hascol brand and have commissioned more than 570 retail outlets in the four provinces of Pakistan and Azad Jammu and Kashmir. Vitol the largest independent oil trading entity in the world, has current equity share of 27.46% in Hascol. This will make Vitol the single largest shareholder in the company. Hascol Petroleum Limited has extensive links with the domestic and international oil trading companies and today is the second largest importer of petroleum products in Pakistan.

Hascol has become a member of the highly esteemed listed companies of Pakistan Stock Exchange and its share price has appreciated considerably since its listing in 2014. This massive growth has been made possible due to the strategic vision of the Board and excellent execution by Senior Management. Hascol has made major headway in construction storage facilities at Keamari, Amangarh, Shikarpur, Mehmood Kot, Machike, Port Qasim, Daulatpur, Sahiwal and Kotla Jam.

We have setup an LNG marketing company VAS LNG (PVT) LTD in a joint – venture with Vitol. Hascol will have a 30% stake in the company and Vitol 70%. Hascol has also signed a Technical Services Agreement with Vitol Aviation. This will enable Hascol to start fueling aircrafts at Karachi, Lahore and Islamabad airports in country. Hascol is also involved in sales & marketing of LPG and Chemical business.

A new joint venture company, Hascol Terminals Limited has also been set up with Vitol and it is planned to have 200,000 Metric Tons of storage at Port Qasim. At Hascol, we are continuously investing in our future and in 2017 we started construction of a Lube Oil Blending Plant at Port Qasim.
