DIRECTORS' REPORT

The Directors are pleased to present the Company's half yearly report, along with the unaudited standalone and consolidated financial statements for the period ended June 30, 2025.

Financial Results

During the period under review, the Company recorded net sales of Rs. 92,917 million. The financial performance for the period ended June 30, 2025, is summarized below:

Particulars	2025	2024
(Rupees in '000)		
Gross profit	2,250,024	1,665,298
Operating (loss)/profit	(244,960)	247,546
Loss after taxation	(4,887,332)	(4,790,408)
(Rupees)		
Loss per share - Basic and Diluted	(4.89)	(4.79)

The Company reported a loss of Rs. 4,887 million for the period, compared to a loss of Rs. 4,790 million during the corresponding period of the previous year. This loss is primarily driven by adverse exchange rate fluctuations, resulting in a foreign exchange loss of approximately Rs. 827 million. In comparison, the same period last year included in Other Income, a one-off gain of Rs. 767 million from the reversal of banking liabilities, which contributed positively.

Despite ongoing liquidity challenges stemming from outstanding banking obligations, delayed payments, and constrained working capital, the Company achieved 56% volumetric growth in H1 compared to the same period last year.

To address continued financial pressures, the Company is finalizing the restructuring of banking liabilities, aiming to improve liquidity and operational performance.

The Company is actively streamlining operations, shutting down loss making ventures and utilizing assets for profitable, cash- generating businesses in line with its strategic focus.

It is to be noted that the companies operating in Oil Marketing sector are facing immense pressure and uncertainty due to a number of key issues that remain unresolved, including pricing mechanisms, margin revision, taxation complexities, and regulatory processes. The management is engaging with the government to resolve these issues to ensure the sustainability of the companies operating in this sector.

Pakistan has grappled with a fragile economy marked by debt, inflation, and unemployment, alongside rising security threats, climate disasters, political unrest, and geopolitical pressures. Against this backdrop, the petroleum sector has been strained by circular debt, delayed IMF support, mismanagement in state-owned enterprises, outdated infrastructure, policy uncertainty, and an increase in levies. Despite limited reforms, it remains burdened by financial stress, import dependence, and structural inefficiencies.

The outlook remains challenging amid geopolitical tensions notably the Pakistan–India conflict and Israel–Iran unrest. These developments have contributed to increasing oil prices due to fears of supply disruptions, alongside mounting freight and insurance costs. The resulting surge in demand for U.S. dollars continues to exert pressure on the Pakistani rupee and the broader economy.

The Company expresses its sincere gratitude to its employees, customers, financial institutions, suppliers, and all stakeholders for their unwavering support. We also extend our appreciation to the Government of Pakistan, its Ministries and regulatory bodies for their continued assistance and guidance.

Thanking you all.

On behalf of the Board

کمپنی اپنی سرگرمیوں کو مؤثر طور پر منظم کر رہی ہے، نقصان دہ منصوبوں کو بند کر کے اور اثاثوں کو منافع بخش اور نقدی پیدا کرنے والے کاروباروں میں استعمال کر رہی ہے، جو اس کی اسٹریٹجک توجہ کے مطابق ہے۔

یہ نوٹ کرنا ضروری ہے کہ آئل مارکیٹنگ سیکٹر میں کام کرنے والی کمپنیوں کو شدید دباؤ اور غیر یقینی صورتحال کا سامنا ہے، جو کئی حل طلب مسائل کی وجہ سے ہے، جن میں قیمتوں کے تعین کا طریقہ کار، مارجن میں نظر ثانی، پیچیدہ ٹیکسیشن اور ریگولیٹری عمل شامل ہیں۔ انتظامیہ ان مسائل کے حل کے لیے حکومت سے مسلسل رابطے میں ہے تاکہ اس سیکٹر میں کام کرنے والی کمپنیوں کی پائیداری کو یقینی بنایا جاسکے۔

پاکستان ایک نازک معیشت سے نبرد آزما رہا ہے جس پر قرضوں، مہنگائی اور بے روزگاری کے ساتھ ساتھ بڑھتے ہوئے سیکوریٹی خطرات، ماحولیاتی آفات، سیاسی بے چینی اور جغرافیائی دباؤ کے آثار نمایاں ہیں۔ اس پس منظر میں پٹرولیم سیکٹر بھی شدید دباؤ کا شکار رہا ہے، جس کی بڑی وجوہات میں گردش قرضہ، آئی ایم ایف کی معاونت میں تاخیر، سرکاری اداروں میں بدانتظامی، فرسودہ انفراسٹرکچر، پالیسی کی غیر یقینی صورتحال اور لیویز میں اضافہ شامل ہیں۔ محدود اصلاحات کے باوجود، یہ شعبہ اب بھی مالی دباؤ، درآمدی انحصار اور ساختی کمزوریوں کا شکار ہے۔

جغرافیائی سیاسی کشیدگی، خصوصاً پاکستان۔ بھارت تنازع اور اسرائیل۔ ایران بے چینی کے باعث مستقبل کا منظر نامہ چیلنجز سے بھرپور ہے۔ ان حالات نے سپلائی میں ممکنہ رکاوٹ کے خدشے کے تحت تیل کی قیمتوں میں اضافہ کیا ہے، ساتھ ہی فریٹ اور انشورنس کے بڑھتے ہوئے اخراجات بھی شامل ہیں۔ اس کے نتیجے میں امریکی ڈالر کی طلب میں اضافہ جاری ہے، جو پاکستانی روپے اور مجموعی معیشت پر مزید دباؤ ڈال رہا ہے۔

کمپنی اپنے ملازمین، صارفین، مالیاتی شراکت داروں، سپلائرز، اور تمام اسٹیک ہولڈرز کا مخلصانہ شکریہ ادا کرتی ہے جنہوں نے ہر مرحلے پر مسلسل اعتماد اور تعاون فراہم کیا۔ ہم حکومت پاکستان اور اس کی متعلقہ وزارتوں کا بھی تہہ دل سے شکریہ ادا کرتے ہیں جنہوں نے مسلسل رہنمائی اور معاونت فراہم کی۔

آپ سب کا بے حد شکریہ

ڈائریکٹرز رپورٹ

ڈائریکٹرز کو خوشی ہے کہ وہ کمپنی کی نصف سالانہ رپورٹ، بمعہ نظر ثانی شدہ اسٹیٹمنٹ الون اور غیر آڈٹ شدہ کنسولیڈیٹڈ مالی بیانات برائے مدت ختم شدہ 30 جون 2025، پیش کر رہے ہیں۔

مالیاتی نتائج:

جائزہ شدہ مدت کے دوران، کمپنی نے 92,917 ملین روپے کی خالص فروخت ریکارڈ کی۔ 30 جون 2025 کو ختم ہونے والی مدت کے مالی نتائج کا خلاصہ درج ذیل ہے:

2024	2025	تفصیل
روپے 000		
1,665,298	2,250,024	کل منافع
247,546	(244,960)	آپریٹنگ (لوس) / پروفٹ
(4,790,408)	(4,887,332)	ٹیکس کے بعد نقصان
روپے		
(4.79)	(4.89)	نقصان فی شیئر۔ بنیادی اور کم کیا گیا

کمپنی نے اس مدت کے لیے 4,887 ملین روپے کا خسارہ رپورٹ کیا، جو گزشتہ سال کی اسی مدت میں ہونے والے 4,790 ملین روپے کے خسارے کے مقابلے میں زیادہ ہے۔ یہ خسارہ بنیادی طور پر زرمبادلہ کی شرح میں منفی اتار چڑھاؤ کے باعث ہوا، جس کے نتیجے میں تقریباً 827 ملین روپے کا غیر ملکی زرمبادلہ خسارہ سامنے آیا۔ اس کے برعکس، گزشتہ سال کی اسی مدت میں بینکنگ واجبات کی واپسی سے حاصل ہونے والے ایک مرتبہ کے منفرد منافع (One-off gain) کی مد میں 767 ملین روپے کی دیگر آمدنی شامل تھی، جس نے مجموعی نتائج پر مثبت اثر ڈالا تھا۔

بینکنگ واجبات کی ادائیگیوں، تاخیر سے ہونے والی رقوم کی وصولیوں اور محدود ورکنگ کپیٹل سے پیدا ہونے والے جاری لیکویڈیٹی مسائل کے باوجود، کمپنی نے رواں سال کی پہلی ششماہی میں گزشتہ سال کی اسی مدت کے مقابلے میں 56% مقداری والیومیٹرک اضافہ حاصل کیا۔

مسلل مالی دباؤ سے نمٹنے کے لیے، کمپنی بینکنگ واجبات کی تنظیم نو کو حتمی شکل دے رہی ہے، تاکہ لیکویڈیٹی اور عملی کارکردگی میں بہتری لائی جاسکے۔

TO THE MEMBERS OF HASCOL PETROLEUM LIMITED

REPORT ON REVIEW OF UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying unconsolidated condensed interim statement of financial position of **Hascol Petroleum Limited** (the Company) as at June 30, 2025 and the related unconsolidated condensed interim statement of profit or loss, the unconsolidated condensed interim statement of comprehensive income, the unconsolidated condensed interim statement of cash flows, the unconsolidated condensed interim statement of changes in equity and notes to the unconsolidated condensed interim financial statements for the six months' period then ended (here-in-after referred to as the "condensed interim financial statements"). The management of the Company is responsible for the preparation and presentation of these unconsolidated condensed interim financial statements in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these unconsolidated condensed interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of unconsolidated condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

ADVISORY - ASSURANCE - TAX

Baker Tilly Mehmood Idrees Qamar, Chartered Accountants trading as Baker Tilly is a member of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities.

Basis for Adverse Conclusion

- a) The Company engaged a Chartered Accountant firm to resolve the matters pertaining to fixed assets by performing physical verification, tagging, updating fixed asset records, and conducting reconciliation exercises as at the balances of December 31, 2022. Furthermore, the firm undertook reconciliation tasks related to trade debts, advances, other receivables and trade and other payables as at the balances of December 31, 2022 and made adjustments to the records where necessary. However, the tax impact including the impact on unrecognized deferred tax resulting from those adjustments had not been considered in unconsolidated condensed interim financial statements for the period then ended.

Due to the absence of adjustments made in the unconsolidated condensed interim financial statements pertaining to taxes we were not able to determine the necessary adjustments related to the opening and closing carrying values of taxation including unrecognized deferred tax, revaluation surplus, and impact on retained earnings.

- b) As disclosed in note 19.1 to the unconsolidated condensed interim financial statements, the Company has various pending litigations. Further, the Securities and Exchange Commission of Pakistan (SECP) is investigating the affairs of the Company. The ultimate outcome of these pending litigations and investigations cannot presently be determined and hence, we cannot determine the amount of adjustments required in these unconsolidated condensed interim financial statements.

Furthermore, as disclosed in note 19.1 to the unconsolidated condensed interim financial statements, the Federal Investigation Authority (FIA) is investigating the affairs of the Company.

- c) As disclosed in note 14 to the unconsolidated condensed interim financial statements, the Company has long term financing facilities amounting to Rs. 6,892.199 million (December 31,2024: 6,922.309 million) out of which the balance of Rs. 3,647.087 million (December 31,2024: Rs. 5,102.096 million) does not meet the criteria for classification as non-current hence should have been presented as current liabilities.

- d) As fully disclosed in note 1.3 unconsolidated condensed interim financial statements, the Company has incurred a net loss of Rs. 4,887.332 million (June 30, 2024: Rs. 4,790.408 million) during the six months period ended June 30, 2025, which has resulted in accumulated losses of Rs. 121,523.913 million (December 31, 2024: Rs. 117,729.711 million) and eroded the equity to Rs. 91,393.762 million (December 31, 2024: Rs. 86,506.430 million).

Further, as of that date the current liabilities of the Company exceeded its current assets by Rs. 109.30 billion (December 31, 2024: Rs. 105.60 billion) and the Company had also defaulted towards its major financing arrangements while the liquidity of the Company is dependent upon the proposed restructuring arrangements with the financial institutions and its major shareholder. As discussed in note 17, the company has repaid and made settlement agreements with the banks in the period and is currently undergoing further arrangements to restructure its borrowings. Furthermore, the situation of the Company may further deteriorate if the possible effects of matters described in Para (a) to (c) above are accounted for in these unconsolidated condensed interim financial statements. These events indicate a material uncertainty that may cast significant doubts on the Company's ability to continue as a going concern, therefore the Company may not be able to realize its assets and discharge its liabilities in the normal course of business.

The Company has made an assessment of going concern assumption and provided us the basis of the same. However, we did not consider this evidence sufficient and appropriate to support the going concern assumption. In our opinion, the going concern assumption used in preparation of these unconsolidated condensed interim financial statements is inappropriate.

Adverse Conclusion

Our review indicates that, because of the significance of the matters described in the **"Basis for Adverse Conclusion"** section of our report, the accompanying unconsolidated condensed interim financial statements as at June 30, 2025 do not give a true and fair view in accordance with the approved accounting standards as applicable in Pakistan for interim financial reporting.

Other Matter

Pursuant to the requirement of Section 237 (1) (b) of the Companies Act, 2017, only cumulative figures for the six months, presented in the second quarter accounts are subject to a limited scope review by the statutory auditors of the company. Accordingly, the figures of the unconsolidated condensed interim statement of profit or loss and unconsolidated condensed interim statement of comprehensive income for the three months period ended June 30, 2025 and June 30, 2024 have not been reviewed by us.

The engagement partner on the audit resulting in this independent auditor's report is **Muhammad Aqeel Ashraf Tabani.**

The matter is at the stage of hearing of applications. This suit is disposed of on the ground the enquiry commission was constituted and single bench of LHC has passed an order on such commission report. The petitions against order / judgment of single bench are pending before LHC.

Motorway Operations & Rehabilitation Engineering (Private) Limited ('MORE') vs Company:

The matter pertains to the Agreement between the Parties with respect to the management and operation of fuel stations and ancillary facilities on the Lahore Islamabad Motorway Service Areas ('Sites'). MORE first sought unilateral amendments to the agreement and then adverse to the interest of the Company initiated negotiation with other companies. This was violation of the terms of the Agreement as the Company has 'exclusive' rights on M2 for twenty years. Therefore, Arbitration Clause of the agreement was invoked and Arbitration Application was filed. The Court was pleased to restrain MORE, inter alia, from dispossessing the Company.

The matter is now stands concluded after settlement between the parties through Agreement dated 12 November 2024, and as reflected in the Order dated 12 November 2024. therefor there are no further projected financial implications in the said matter. The parties entered into a settlement and case was withdrawn on the basis of this settlement.

Federal Investigation Agency (FIA):

During the second half of 2021, the Federal Investigation Agency (FIA) started a formal inquiry to probe the defaults incurred at banks on account of the Company. This inquiry focusses on individuals working for the Company (both Management and Board of Directors) and primarily National Bank of Pakistan. A formal First Investigation Report (FIR) was launched in January 2022 followed by a preliminary challan in High Court under the Anti Money Laundering act against thirty two (32) individuals. The Company is complying with the FIA to facilitate this investigation via provision of information. It is of extreme importance that the inquiry nor the challan is against the Company and the Company expects no outflow of economic benefit as a result of this case.

In 2020, The Company entered into sales contract with Pakistan Army and Pakistan Airforce. The contracts were secured with bank guarantee issued by one of the financial institution in favour of the two customer. As A result of this, the counter parties have offset the outstanding advances with receivables and bank guarantee. The contracts closure and the exact settlement amount is still under discussion. CP No. 5188/2022 - The Company vs Federation of Pakistan & others:

The Petition by the Company challenges the illegal action of the Customs Authorities. The Collectorate of Customs (Adjudication-I) on 30.08.2022 issued a show cause notice, through which they raised a demand to pay Additional Custom Duty on import of motor spirit for the period from 01.01.2020 to 30.06.2022 to the tune of Rs. 171,946,298/-. As this show cause was issued to all Oil Marketing Companies ("OMC") so the Company along with one other OMC assailed / challenged the said Show Cause Notice before the Sindh High Court. Initially, the High Court has instructed the Department not to decide on the contested show-cause notice issued vide order dated 12.10.2022. However, the High Court disposed of the matter vide Order dated 27.03.2025 and held that notices to be adjudicated vide speaking order after providing opportunity of hearing to the OMC's and till then no coercive action to be taken against them.

CP No. 4446/2022 - Regulatory duty

Federal Board of Revenue ("FBR") on 20.06.22 issued SRO 806(I)/2022 ('SRO 806') through which regulatory duty was levied at the rate of 10% ('RD') on the import of motor spirit, however it provided that the RD shall not be applicable on cargoes for which letter of credits had already been issued, or were already on the high seas. On 30.06.22, the FBR issued SRO 966(I)/2022 ('SRO 966') which levied regulatory duty on the import of a number of goods, and by way of Entry No. 128 also levied regulatory duty at the rate of 10% on motor spirits. The Custom authority refused to give any benefit to the Company under SRO 806.

On 12.02.2023, the arguments were led by the lawyer on behalf of the Petitioners and the Court heard the arguments at length. Our main argument was based on second contingency in the subject SRO related to ships on open seas. The Custom's lawyer opposed the contention on the ground that LC's were not opened till June 30, 2022, but same were opened in July and August, which is not the case of the Petitioners, however the Bench has directed the Petitioners to file the details of GDs & LCs and fixed the case on 14th March 2023, at 11am.

The matter is pending in the High Court of Sindh and the learned counsel submits that the Company is required to pay full amount of Petroleum levy and secure regulatory duty at 10% by way of bank guarantee or pay order to the extent of consignment taken out of tanks, with the collector of customs as to release the consignment. In case, petition is decided in favour of the Company, such deposited P/O shall be released and the Company legal counsel is of firm opinion of success of case in favour of the Company. This CP was dismissed on 11.04.2023, thereafter the Parties assailed the remedy before SCP which directed the customs authorities to give a hearing opportunity and decided the factual controversies. The Assistant Collector passed an assessment order against the OMCs including Company vide assessment order dated 02.10.2023. HPL filed an appeal against this assessment order before Collector of Appeal who passed the order in favour of the OMCs vide its order dated 23.02.2024.

The Customs department filed an appeal against the order of the collector before the Customs Appellate Tribunal and same appeal was accepted in favour of customs department vide order dated 12.07.2024. The Company, along with other OMCs, filed a SCRA No. 550 of 2024 before SHC wherein an interim order is passed directing the respondents to maintain status quo in respect of securities already furnished and as recorded in the order of SCP dated 10.07.2023. Now the case is pending for the final arguments of the parties.

The Bank of Punjab (BOP)

a) Suit no B39 of 2021:

The Plaintiff filed a suit under Section 9 of the Ordinance for the payment and recovery of PKR 2,192,841,925.01 along with cost of funds from the date of default, and for the sale of the Company's hypothecated assets/goods/attached assets/properties. The aforementioned outstanding amount was claimed against the following facilities:

An application under Section 10 of the Ordinance for leave to defend the suit was filed on behalf of the Company claiming that the instant suit is liable to be rejected as it has not been validly instituted and fails to comply with the mandatory requirements of the Ordinance and does not disclose a cause of action. The grounds raised in the application are, inter alia. the particular finance(s) (as the term is defined in the Ordinance) on which the suit is found as due and payable by the Company is unidentified and not shown to be extended to the Company within the statement of accounts attached by the Plaintiff, and the suit has been instituted without a valid power of attorney. Additionally, the statement of accounts attached by the Plaintiff were not certified according to the Bankers Evidence Act.

In response to the Company's leave to defend application, the Plaintiff submitted a replication requesting the Court to dismiss the Company's application for leave to defend.

Alongside the suit, the Plaintiff also filed an application under Section 16 of the Ordinance seeking to restrain the Company from creating any third-party interest in the immovable properties owned by the Company as well as passing an order for attachment of those properties till the disposal of the suit.

The Plaintiff subsequently filed another application under Section 16 of the Ordinance for the attachment of certain other immovable properties belonging to the Company and prayed for the Company to be restrained from creating any third-party interest in these properties as well.

The Company filed its counter-affidavits to the two applications for injunction and attachment, denying the averments made by the Plaintiff, highlighting that the necessary ingredients for the grant of any relief under the provisions of the Ordinance had not been met. The Company has submitted that in the absence of the suit establishing a valid cause of action or a failure to show the Company's intent to dispose of or remove the property over which a security has been created, the attachment application of the Plaintiff cannot be granted.

On 20 September 2021, the Honorable Court passed an order restraining the Company from creating any third-party interests in immovable properties owned by the Company. The second application was pending hearing.

The suit was decided against the Company, granting all of the reliefs sought in the Suit, by judgment dated 6 February and decree dated 21 February 2023. The Company has filed an appeal against the said judgment and decree (see Appeal no 60 of 2023).

However the parties have entered in to out-of court settlement and the decree is not therefore presently executable.

b) Appeal no 60 of 2023:

The Company has filed an appeal against the judgment and decree passed in Suit No. B-39 of 2021, on the grounds inter alia that: the Learned Judge failed at all to consider that the Suit was not maintainable; there was impropriety in the conduct of the proceedings and a proper hearing was not given to the Company; that the Learned Judge has failed to appreciate that the Suit falls foul of the mandatory provisions of section 9(2) and section 9(3) of the Ordinance; the Learned Judge has erroneously found that the so-called statements of accounts correspond precisely with the so-called finances itemized in the judgment; the Learned Judge has failed to determine whether any amounts were disbursed to or for the benefit of the Company under or pursuant to any of the so-called finance agreements attached in support of the Plaint and has instead based his findings on the basis merely that such so-called finance agreements were executed, incorrectly deeming the fact of execution to constitute “admissions” of disbursement and of liability on the part of the Company; the Learned Judge has failed to consider that the documents provided in respect of the purported letters of credit do not substantiate the bank’s entitlement to the Suit amount; and the Learned Judge has failed to consider whether the bank is entitled to the benefit of the securities created under the hypothecation agreement.

The bank has filed a reply to the appeal along with an application alleging perjury on the part of the Company’s officers. By way of order dated 29 March 2023, the bank’s perjury application was dismissed and the parties were directed to maintain status quo. The writ of attachment issued in the execution proceedings of the decree is also not to affect the day-to-day operations of the Company (refer Execution no 18 of 2023). As such, the decree in the Suit is not presently proceeding to execution, as the said orders continue to operate to date.

The appeal is currently pending hearing and, in our view, the Company has a strong chance of success. The parties have entered in to out-of court settlement and this appeal is disposed of accordingly.

c) Execution no 18 of 2023:

The Decree Holder bank has instituted proceedings for the execution of the decree dated 21 February 2023 passed in Suit No. B-39 of 2021 (see point (a) above). A writ of attachment was issued for the attachment of the properties allegedly hypothecated in favor of the bank. However, by order dated 19 April 2023 passed in the appeal (see point (b) above), the writ of attachment shall not affect the day-to-day operations of the Company.

By order of the Additional Registrar dated 10 April 2023, certain properties of the Company were sought to be attached, although such properties were not awarded by way of the decree passed in the Suit. Hence the Company has filed an application seeking to exclude the said properties from the scope of the execution proceedings. The Company’s application will be heard on the next date of hearing and is, in our view, likely to succeed.

Further, it is our view that the decree will be set aside in the appeal and as such the execution proceedings will become infructuous. The parties have entered in to out-of court settlement and this execution is disposed of accordingly.

a) Suit no B-45 of 2022:

The Plaintiff has filed a suit for recovery of PKR 1,088,188,268 against the Company under Section 9 of the Ordinance. The Plaintiff has also prayed for a decree for recovery of the allegedly outstanding amount through the sale of hypothecated/charged properties and assets of the Company, attachment of the Company's immovable properties and other properties and for cost of funds in terms of Section 3 of the Ordinance from the date of default till satisfaction of the decretal amount, if granted.

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter alia the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the suit is liable to be dismissed as it falls foul of Section 9 of the Ordinance; the Plaintiff has failed to disclose material particulars or identify the basis of the finance(s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to meaningfully defend itself; and the attached documents do not support the Plaintiffs assertions regarding the Company's alleged liability.

The Plaintiff has, simultaneously with the suit, filed an application under Section 23 (1) of the Ordinance seeking to restrain the Company from transferring or selling the hypothecated assets and mortgaged properties, to which the Company has filed its counter-affidavit objecting inter a/lia that the application for attachment of property is not maintainable under Section 23 of the Ordinance.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

Samba Bank Limited

A suit under Section 9 of the Ordinance was filed against the Company and its former CEO/Director, Mr. Mumtaz Hasan Khan, (in his personal capacity as a guarantor of the Company's liabilities) for the recovery of PKR 1,018,709,744.57 against several finance facilities allegedly availed by the Company from the Plaintiff bank.

Additionally, during the pendency of the suit, the Company's assets were prayed to be attached for the settlement of the allegedly outstanding amount. However, separate applications seeking an interim injunction or attachment of the properties have not been filed by the Plaintiff.

In response, the Company filed its application for leave to defend under Section 10 of the Ordinance praying that the suit is liable to be rejected inter alia the following grounds, which renders it impossible for the Company to know the case that has to be met by it: no cause of action has been disclosed by the Plaintiff against the Company, the Plaintiff has failed to disclose or identify any particular finance(s) or finance facility(ies) (as defined in the Ordinance) on which the suit is founded, the attached documents do not support the Plaintiffs assertions especially since the liability they allegedly establish has not lapsed as of the date of the institution of the suit and that it falls foul of the disclosure requirements to be strictly met under the Ordinance. Since the statement of accounts attached as an annexure in the suit itself fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'.

HASCOL PETROLEUM LIMITED

NOTES TO THE CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2025

The Company has also highlighted that the Plaintiff failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder by way of this suit. Additionally, the statement of accounts attached by the Plaintiff were not certified according to the Bankers Evidence Act.

The suit was withdrawn by order dated 2 January 2024, in terms of an out-of-court settlement reached between the Plaintiff and the Company.

Sindh Bank Limited:

The Plaintiff has filed a suit under Section 9 of the Ordinance for the recovery of PKR 2,334,776,939.97 along with cost of funds.

The Plaintiff also prayed for permanent injunction to restrain the Company, its employees, agents or any other persons acting for and, on its behalf, directly and/or indirectly, from selling, alienating, disposing of or creating third party rights in any manner whatsoever in respect of the allegedly hypothecated assets as well as moveable and immovable properties. Additionally, it was prayed that a judgement and decree for attachment and sale of all other assets and properties of the Company is passed to recover the outstanding amount. However, separate applications seeking an interim injunction or attachment of the properties during the pendency of the proceedings have not been filed by the Plaintiff.

An application under Section 10 of the Ordinance for leave to defend the suit has been filed on behalf of the Company contesting the allegations averred against the Company. The grounds raised in the application are, inter alia, the Plaintiff's failure to comply with the mandatory requirements of the Ordinance or to establish that: the Company as its 'customer', there is a cause of action against the Company, the particular finance(s) (as the term is defined in the Ordinance) on which the suit is found as due and payable by the Company, and/or whether any finance facility was actually disbursed to the Company pursuant to the so-called facility letters. Additionally, the statement of accounts attached by the Plaintiff were not certified according to the Bankers Evidence Act. The documents attached as supporting documents to the Plaintiff's suit, inter alia the promissory notes and letter(s) of lien/setoff, suggest that certain claims are also time barred under the Ordinance.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered into out-of-court settlement and this suit is disposed of accordingly.

Bank Makramah Limited:

The Plaintiff filed a suit for recovery of PKR 547,253,184.24 against the Company under Section 9 of the Ordinance. In addition, the Plaintiff bank also prayed for the Company's assets to be attached for sale to cover the outstanding costs. A separate application under Section 16 of the Ordinance seeking such attachment during the pendency of proceedings was not been filed by the Plaintiff.

In response to the Plaintiff's suit, a leave to defend application under Section 10 of the Ordinance was filed by the Company notwithstanding any prejudice to the Plaintiff's contention that the provisions of the Ordinance are contrary to Article 10-A of the Constitution. In its application, the Company argued that the Plaintiff's suit is not valid and maintainable for the following reasons, for which it is liable to be dismissed: the suit has been instituted without a valid power of attorney, no cause of action has been established against the Company by the Plaintiff, the Plaintiff's assertions that the finance facilities (the term as defined in the Ordinance) were obtained by or recovered from the Company is not supported by any evidence, and the suit fails to comply with the mandatory provisions of the Ordinance.

An application for leave to defend the suit under Section 10 of the Ordinance has been filed on behalf of the Company. The grounds raised therein include inter alia: the Plaintiff's failure to show any cause of action against the Company or comply with the mandatory requirements of the Ordinance, the suit being barred by limitation or otherwise premature with respect to other amounts claimed, absence of true and correct statements of accounts in support of the contention and the Plaintiff's failure to disclose the extension or disbursement of particular finances (the term as defined in the Ordinance) on the basis of which the suit is founded.

The Plaintiff has filed a suit for recovery under Section 9 of the Ordinance in respect of an amount of PKR 1,130,340,813.09, along with costs, cost of funds, compensatory charges and liquidated damages from the date of default till realization. The Plaintiff has also prayed for the Court to grant a decree for recovery of the outstanding amount through the sale of hypothecated/charged properties and assets of the Company.

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter alia the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the Plaintiff has failed to disclose or appropriately identify the particular finance(s) or finance facility(ies) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to know the case that has to be met by it; and the attached documents do not support the Plaintiff's assertions and fall foul of the disclosure requirements to be strictly met under the Ordinance. It has further been stated that since the statements of accounts attached as annexures in the suit fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'. Additionally, the statements of accounts attached by the Plaintiff are not certified according to the Bankers Evidence Act.

Simultaneously with the suit, the Plaintiff has filed an application under Section 16 of the Ordinance for attachment of the property owned by the Company till the final decision of the recovery suit, thereby seeking to restrain the Company from inter alia, selling, transferring, alienating, or mortgaging its property, which the Plaintiff has alleged would cause irreparable loss and gravely prejudice its interests.

In response to the above application for attachment of properties, a counter- affidavit has been filed on behalf of the Company on the grounds that the application is not maintainable under the Ordinance, as the properties in question have no nexus with the Plaintiff. Notwithstanding this, the Plaintiff has not provided any basis for apprehension of disposal of the properties.

NOTES TO THE CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2025

In response to the Company's leave to defend application, the Plaintiff has submitted a replication requesting the Court to dismiss the Company's application for leave to defend.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed; and the Plaintiff will not succeed at the inter partes hearing to attach or otherwise adversely affect the Company's properties. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

b) Suit no B-22 of 2023

The Plaintiff has filed a suit for recovery under Section 9 of the Ordinance of an amount of PKR 1,029,360,639.95 along with mark-up and cost of funds, under a Diminishing Musharaka Finance facility allegedly availed by the Company from the Plaintiff bank. The Plaintiff has also prayed for a permanent injunction against the disposal or creation of third-party interests on certain mortgaged and hypothecated properties; and the sale and attachment of specified mortgaged and hypothecated properties of the Company.

The Company has filed its application for leave to defend under Section 10 of the Ordinance seeking that the suit be rejected and/or dismissed on the basis that it is not validly instituted, and falls foul of the requirements of Section 9 of the Ordinance for inter alia the following reasons: failure of the Plaintiff to disclose the cause of action or the disbursements made against any identified finance (the term as defined under the Ordinance) facilities claimed to be extended by the Plaintiff.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

Meezan Bank Limited

The Plaintiff has filed a suit under Section 9 of the Ordinance against the Company and its former CEO/ Director, Mr. Mumtaz Hasan Khan (in his personal capacity as a guarantor of the Company's liabilities), for the recovery of PKR 4,580,304,393 against several finance facilities allegedly availed by the Company from the Plaintiff bank. The Plaintiff has also prayed for the attachment of the Company's properties for the settlement of the alleged outstanding amount (a separate application seeking an interim injunction or attachment of the properties has not been filed).

In response, the application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on the grounds, inter alia, that: no cause of action has been disclosed by the Plaintiff against the Company; the Plaintiff has failed to disclose the particulars of the amounts claimed and finance (s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to know the case that has to be met by it; and the attached documents do not support the Plaintiff's assertions. Since the statement of accounts attached as an annexure in the suit itself fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'. Additionally, the statement of accounts attached by the Plaintiff are not certified according to the Bankers Evidence Act. It has also been highlighted that the Plaintiff has failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder in the suit. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

The Plaintiff has also prayed for a decree for recovery of the outstanding amount through the sale of hypothecated/charged properties and assets of the Company. However, a separate application seeking an interim injunction or attachment of the property has not been filed by the Plaintiff.

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter alia the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the Plaintiff has failed to disclose material particulars or identify the basis of the finance(s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to meaningfully defend itself; and the attached documents do not support the Plaintiff's assertions regarding the Company's alleged liability. It has also been highlighted that the Plaintiff has failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder in the suit.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed.

Bank of Khyber

NOTES TO THE CONDENSED INTERIM UNCONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2025

An application for leave to defend has been filed on behalf of the Company. However, the Plaintiff is yet to file its replication.

In our view, the application for leave to defend filed on behalf of the Company is likely to succeed.

First Women Bank Limited

The Plaintiff has filed a suit for recovery under Section 9 of the Ordinance of an amount of PKR 853,540,095.2, along with cost of funds, under a LC finance facility and Running Finance facility allegedly availed by the Company from the Plaintiff bank. The Plaintiff has also prayed for a decree for the recovery of the outstanding amount through the sale of the hypothecated and immovable and other assets of the Company.

The Company has filed its application for leave to defend under Section 10 of the Ordinance seeking that the suit be rejected and/or dismissed on the basis that it is not validly instituted, and falls foul of the requirements of Section 9 of the Ordinance for inter alia the following reasons: failure of the Plaintiff to disclose the cause of action or the disbursements made against any identified finance (the term as defined under the Ordinance) facilities claimed to be extended by the Plaintiff.

The Company's application was filed along with an application for condonation of delay, as the Additional Registrar had incorrectly observed that the leave to defend application was not filed with the prescribed 30 days' period under the Ordinance. The condonation application has been filed on the grounds that notice of the suit was never validly served on the Company under Section 9 (5) of the Ordinance and therefore, the question of limitation does not arise. Even otherwise, the leave to defend application was filed within time for being submitted within 30 days of actual notice of the suit.

A full inter partes hearing of the Company's condonation application has concluded and orders are reserved by the Court.

The application for condonation of delay has been accepted by the Court. It is our view that the application for leave to defend filed on behalf of the Company are likely to succeed.

13.1 This represents amount receivable from the Government of Pakistan (GoP) net of recovery as per fortnightly rates declared by the Ministry of Petroleum and Natural Resources. The Group together with other oil marketing companies is actively perusing the matter with the concerned authorities for the early settlement of above claim. The Group considers that the balance amount will be reimbursed by GoP in due course of time.

13.2 This represents provision against regulatory duty (RD), price differential claim (PDC) and Inland Freight Equalization Margin (IFEM). Based on management's estimate of the recoverable amount in line with Audit Terms of Reference for fiscal years 2021 to 2023.

The Holding Company including other OMCs, have filed a Petition No. 1397/2025 before the Islamabad High Court challenging the retrospective disallowance of freight cost reimbursements under the IFEM mechanism. The dispute arose following the issuance of Audit Terms of Reference by OGRA for the fiscal years 2021 to 2023, which denied complete reimbursement for transportation costs in cases where OMCs did not meet the specified input targets for the Pipeline.

The petitioners have requested the Court to direct OGRA to revise the Audit Terms of Reference, permit recognition of actual transportation costs. They have also sought a stay on any adverse regulatory actions until the matter is resolved. The case is currently pending adjudication, as OGRA is yet to submit its response. The outcome may impact the recoverability and classification of IFEM-related receivables or provision.

Company vs Federation of Pakistan & Others:

Suit no 1980 of 2021:

Office of Auditor General of Pakistan, on institution of MOEP, initiated audit of all OMCs including the Holding Company and issued notices in this regard. Such audit, conducted by AGP is illegal and without any authority, hence challenged by the Holding Company before Court of Law.

Court vide its order dated 13.09.2021 restrained AGP for taking any coercive action against the Holding Company in pursuance of impugned notices and not to finalize or publish any report or if any report / proceeding have been prepared / initiated against the Holding Company in pursuant of the impugned notices, no further steps shall be taken against the Holding Company.

In respect of the likelihood of an unfavorable outcome, we are of the view that it is not easy to predict the outcome of a contested litigation, however it appears that the probability of such an outcome is quite less.

Company vs Federation of Pakistan and Commissioner Inland Revenue:

The Holding Company filed the said petition bearing C.P. D-6503/2019 being aggrieved by the actions of the Respondent (Inland Revenue) in selection of case for audit under Section 25 of the Sales Tax Act, 1990 for tax period January 2018 to December 2018.

The Holding Company has argued that section 25(2) states that an audit is to take place only once in every three years and an audit had already been called in 2017, and hence the recalling of the same is unlawful and ultravires.

Suit no 934/2022 and 935/2022:

Both suits have been filed by the past employees of the Holding Company claiming the amount of final settlement payable to them on leaving the employment. the Holding Company, to substantial extent, admits the financial claims of the plaintiffs however, it has taken stance that it is entitled to withhold the payment of those benefits owing to ongoing criminal proceedings by FIA.

In Suit No.934/2022 the court has passed the decree to the extent of Rs.10.01 million while the suit is pending for the remaining amount. As per our knowledge, appeal has not been filed against the said decree.

As the entitlement of Plaintiffs is not substantially disputed and only the payment is deferred so we understand that the Holding Company would already have recorded the liability in its books of accounts. Accordingly, any outcome of the matters is not likely to affect financial liability of the Holding Company. the Holding Company has paid the undisputed amount to the Plaintiffs, thereafter the Plaintiff have withdrawn their respective suit to the extent of remaining amounts.

Motorway Operations & Rehabilitation Engineering (Private) Limited ('MORE') vs Company:

The matter pertains to the Agreement between the Parties with respect to the management and operation of fuel stations and ancillary facilities on the Lahore Islamabad Motorway Service Areas ('Sites'). MORE first sought unilateral amendments to the agreement and then adverse to the interest of the Company initiated negotiation with other companies. This was violation of the terms of the Agreement as the Company has 'exclusive' rights on M2 for twenty years. Therefore, Arbitration Clause of the agreement was invoked and Arbitration Application was filed. The Court was pleased to restrain MORE, inter alia, from dispossessing the Company.

The matter is now stands concluded after settlement between the parties through Agreement dated 12 November 2024, and as reflected in the Order dated 12 November 2024. therefor there are no further projected financial implications in the said matter. The parties entered into a settlement and case was withdrawn on the basis of this settlement.

Federal Investigation Agency (FIA):

This inquiry focusses on individuals working for the Company (both Management and Board of Directors) and primarily National Bank of Pakistan. A formal First Investigation Report (FIR) was launched in January 2022 followed by a preliminary challan in High Court under the Anti Money Laundering act against thirty two (32) individuals. The Company is complying with the FIA to facilitate this investigation via provision of information. It is of extreme importance that the inquiry nor the challan is against the Company and the Company expects no outflow of economic benefit as a result of this case.

In 2020, The Company entered into sales contract with Pakistan Army and Pakistan Airforce. The contracts were secured with bank guarantee issued by one of the financial institution in favour of the two customer. During the year ended December 31, 2021, the Company due to shortage of working capital was unable to honor the partial sales commitment of the counter parties. As A result of this, the counter parties have offset the outstanding advances with receivables and bank guarantee. The contracts closure and the exact settlement amount is still under discussion. As of December 31, 2023 the Company recorded and estimated liability amounting to Rs. 934 million approximately.

CP No. 5188/2022 - The Company vs Federation of Pakistan & others:

CP No. 4446/2022 - Regulatory duty

Federal Board of Revenue ("FBR") on 20.06.22 issued SRO 806(I)/2022 ('SRO 806') through which regulatory duty was levied at the rate of 10% ('RD') on the import of motor spirit, however it provided that the RD shall not be applicable on cargoes for which letter of credits had already been issued, or were already on the high seas. On 30.06.22, the FBR issued SRO 966(I)/2022 ('SRO 966') which levied regulatory duty on the import of a number of goods, and by way of Entry No. 128 also levied regulatory duty at the rate of 10% on motor spirits. The Custom authority refused to give any benefit to the Company under SRO 806.

On 12.02.2023, the arguments were led by the lawyer on behalf of the Petitioners and the Court heard the arguments at length. Our main argument was based on second contingency in the subject SRO related to ships on open seas. The Custom's lawyer opposed the contention on the ground that LC's were not opened till June 30, 2022, but same were opened in July and August, which is not the case of the Petitioners, however the Bench has directed the Petitioners to file the details of GDs & LCs and fixed the case on 14th March 2023, at 11am.

The matter is pending in the High Court of Sindh and the learned counsel submits that the Company is required to pay full amount of Petroleum levy and secure regulatory duty at 10% by way of bank guarantee or pay order to the extent of consignment taken out of tanks, with the collector of customs as to release the consignment. In case, petition is decided in favour of the Company, such deposited P/O shall be released and the Company legal counsel is of firm opinion of success of case in favour of the Company. This CP was dismissed on 11.04.2023, thereafter the Parties assailed the remedy before SCP which directed the customs authorities to give a hearing opportunity and decided the factual controversies. The Assistant Collector passed an assessment order against the OMCs including Company vide assessment order dated 02.10.2023. HPL filed an appeal against this assessment order before Collector of Appeal who passed the order in favour of the OMCs vide its order dated 23.02.2024.

The Customs department filed an appeal against the order of the collector before the Customs Appellate Tribunal and same appeal was accepted in favour of customs department vide order dated 12.07.2024. The Company, along with other OMCs, filed a SCRA No. 550 of 2024 before SHC wherein an interim order is passed directing the respondents to maintain status quo in respect of securities already furnished and as recorded in the order of SCP dated 10.07.2023. Now the case is pending for the final arguments of the parties.

The aforementioned outstanding amount was claimed against the following facilities:

In response to the Company's leave to defend application, the Plaintiff submitted a replication requesting the Court to dismiss the Company's application for leave to defend.

Alongside the suit, the Plaintiff also filed an application under Section 16 of the Ordinance seeking to restrain the Company from creating any third-party interest in the immovable properties owned by the Company as well as passing an order for attachment of those properties till the disposal of the suit.

The Plaintiff subsequently filed another application under Section 16 of the Ordinance for the attachment of certain other immovable properties belonging to the Company and prayed for the Company to be restrained from creating any third-party interest in these properties as well.

The Company filed its counter-affidavits to the two applications for injunction and attachment, denying the averments made by the Plaintiff, highlighting that the necessary ingredients for the grant of any relief under the provisions of the Ordinance had not been met. The Company has submitted that in the absence of the suit establishing a valid cause of action or a failure to show the Company's intent to dispose of or remove the property over which a security has been created, the attachment application of the Plaintiff cannot be granted.

On 20 September 2021, the Honorable Court passed an order restraining the Company from creating any third-party interests in immovable properties owned by the Company. The second application was pending hearing.

The suit was decided against the Company, granting all of the reliefs sought in the Suit, by judgment dated 6 February and decree dated 21 February 2023. The Company has filed an appeal against the said judgment and decree (see Appeal no 60 of 2023).

However the parties have entered in to out-of court settlement and the decree is not therefore presently executable.

b) Appeal no 60 of 2023:

The Company has filed an appeal against the judgment and decree passed in Suit No. B-39 of 2021, on the grounds inter alia that: the Learned Judge failed at all to consider that the Suit was not maintainable; there was impropriety in the conduct of the proceedings and a proper hearing was not given to the Company; that the Learned Judge has failed to appreciate that the Suit falls foul of the mandatory provisions of section 9(2) and section 9(3) of the Ordinance; the Learned Judge has erroneously found that the so-called statements of accounts correspond precisely with the so-called finances itemized in the judgment; the Learned Judge has failed to determine whether any amounts were disbursed to or for the benefit of the Company under or pursuant to any of the so-called finance agreements attached in support of the Plaint and has instead based his findings on the basis merely that such so-called finance agreements were executed, incorrectly deeming the fact of execution to constitute "admissions" of disbursement and of liability on the part of the Company; the Learned Judge has failed to consider that the documents provided in respect of the purported letters of credit do not substantiate the bank's entitlement to the Suit amount; and the Learned Judge has failed to consider whether the bank is entitled to the benefit of the securities created under the hypothecation agreement.

The bank has filed a reply to the appeal along with an application alleging perjury on the part of the Company's officers. By way of order dated 29 March 2023, the bank's perjury application was dismissed and the parties were directed to maintain status quo. The writ of attachment issued in the execution proceedings of the decree is also not to affect the day-to-day operations of the Company (refer Execution no 18 of 2023). As such, the decree in the Suit is not presently proceeding to execution, as the said orders continue to operate to date.

The appeal is currently pending hearing and, in our view, the Company has a strong chance of success. The parties have entered in to out-of court settlement and this appeal is disposed of accordingly.

c) Execution no 18 of 2023:

The Decree Holder bank has instituted proceedings for the execution of the decree dated 21 February 2023 passed in Suit No. B-39 of 2021 (see point (a) above). A writ of attachment was issued for the attachment of the properties allegedly hypothecated in favor of the bank. However, by order dated 19 April 2023 passed in the appeal (see point (b) above), the writ of attachment shall not affect the day-to-day operations of the Company.

By order of the Additional Registrar dated 10 April 2023, certain properties of the Company were sought to be attached, although such properties were not awarded by way of the decree passed in the Suit. Hence the Company has filed an application seeking to exclude the said properties from the scope of the execution proceedings. The Company's application will be heard on the next date of hearing and is, in our view, likely to succeed.

Further, it is our view that the decree will be set aside in the appeal and as such the execution proceedings will become infructuous. The parties have entered in to out-of court settlement and this execution is disposed of accordingly.

a) Suit no B-45 of 2022:

The Plaintiff has filed a suit for recovery of PKR 1,088,188,268 against the Company under Section 9 of the Ordinance. The Plaintiff has also prayed for a decree for recovery of the allegedly outstanding amount through the sale of hypothecated/charged properties and assets of the Company, attachment of the Company's immovable properties and other properties and for cost of funds in terms of Section 3 of the Ordinance from the date of default till satisfaction of the decretal amount, if granted.

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter alia the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the suit is liable to be dismissed as it falls foul of Section 9 of the Ordinance; the Plaintiff has failed to disclose material particulars or identify the basis of the finance(s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to meaningfully defend itself; and the attached documents do not support the Plaintiffs assertions regarding the Company's alleged liability.

The Plaintiff has, simultaneously with the suit, filed an application under Section 23 (1) of the Ordinance seeking to restrain the Company from transferring or selling the hypothecated assets and mortgaged properties, to which the Company has filed its counter-affidavit objecting inter a/la that the application for attachment of property is not maintainable under Section 23 of the Ordinance.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

Samba Bank Limited

A suit under Section 9 of the Ordinance was filed against the Company and its former CEO/Director, Mr. Mumtaz Hasan Khan, (in his personal capacity as a guarantor of the Company's liabilities) for the recovery of PKR 1,018,709,744.57 against several finance facilities allegedly availed by the Company from the Plaintiff bank.

Additionally, during the pendency of the suit, the Company's assets were prayed to be attached for the settlement of the allegedly outstanding amount. However, separate applications seeking an interim injunction or attachment of the properties have not been filed by the Plaintiff.

In response, the Company filed its application for leave to defend under Section 10 of the Ordinance praying that the suit is liable to be rejected inter alia the following grounds, which renders it impossible for the Company to know the case that has to be met by it: no cause of action has been disclosed by the Plaintiff against the Company, the Plaintiff has failed to disclose or identify any particular finance(s) or finance facility(ies) (as defined in the Ordinance) on which the suit is founded, the attached documents do not support the Plaintiffs assertions especially since the liability they allegedly establish has not lapsed as of the date of the institution of the suit and that it falls foul of the disclosure requirements to be strictly met under the Ordinance. Since the statement of accounts attached as an annexure in the suit itself fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'.

The Company has also highlighted that the Plaintiff failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder by way of this suit. Additionally, the statement of accounts attached by the Plaintiff were not certified according to the Bankers Evidence Act.

The suit was withdrawn by order dated 2 January 2024, in terms of an out-of- court settlement reached between the Plaintiff and the Company.

Sindh Bank Limited:

The Plaintiff has filed a suit under Section 9 of the Ordinance for the recovery of PKR 2,334,776,939.97 along with cost of funds.

Additionally, it was prayed that a judgement and decree for attachment and sale of all other assets and properties of the Company is passed to recover the outstanding amount. However, separate applications seeking an interim injunction or attachment of the properties during the pendency of the proceedings have not been filed by the Plaintiff.

An application under Section 10 of the Ordinance for leave to defend the suit has been filed on behalf of the Company contesting the allegations averred against the Company. The grounds raised in the application are, inter alia, the Plaintiff's failure to comply with the mandatory requirements of the Ordinance or to establish that: the Company as its 'customer', there is a cause of action against the Company, the particular finance(s) (as the term is defined in the Ordinance) on which the suit is found as due and payable by the Company, and/or whether any finance facility was actually disbursed to the Company pursuant to the so-called facility letters. Additionally, the statement of accounts attached by the Plaintiff were not certified according to the Bankers Evidence Act. The documents attached as supporting documents to the Plaintiff's suit, inter alia the promissory notes and letter(s) of lien/setoff, suggest that certain claims are also time barred under the Ordinance.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

The Plaintiff filed a suit for recovery of PKR 547,253,184.24 against the Company under Section 9 of the Ordinance. A separate application under Section 16 of the Ordinance seeking such attachment during the pendency of proceedings was not been filed by the Plaintiff.

In response to the Plaintiff's suit, a leave to defend application under Section 10 of the Ordinance was filed by the Company notwithstanding any prejudice to the Plaintiff's contention that the provisions of the Ordinance are contrary to Article 10-A of the Constitution. In its application, the Company argued that the Plaintiffs suit is not valid and maintainable for the following reasons, for which it is liable to be dismissed: the suit has been instituted without a valid power of attorney, no cause of action has been established against the Company by the Plaintiff, the Plaintiff's assertions that the finance facilities (the term as defined in the Ordinance) were obtained by or recovered from the Company is not supported by any evidence, and the suit fails to comply with the mandatory provisions of the Ordinance.

The suit was withdrawn by order dated 1 January 2024, in terms of an out-of- court settlement reached between the Plaintiff and the Company.

An application for leave to defend the suit under Section 10 of the Ordinance has been filed on behalf of the Company. The grounds raised therein include inter alia: the Plaintiff's failure to show any cause of action against the Company or comply with the mandatory requirements of the Ordinance, the suit being barred by limitation or otherwise premature with respect to other amounts claimed, absence of true and correct statements of accounts in support of the contention and the Plaintiff's failure to disclose the extension or disbursement of particular finances (the term as defined in the Ordinance) on the basis of which the suit is founded.

b) Suit no B-47 of 2022:

The Plaintiff has filed a suit under Section 9 of the Ordinance against the Company and its former CEO/ Director, Mr. Mumtaz Hasan Khan (in his personal capacity as a guarantor of the Company's liabilities), for the recovery of PKR 23,669,132,888 against several finance facilities allegedly availed by the Company from the Plaintiff bank. The Plaintiff has prayed for the award of liquidated damages payable by the Company at the rate of; (i) 20% per annum from the due date to the date of recovery pursuant to the Term Finance Agreement dated March 9, 2016; (ii) 1.75% per annum from the due date to the date of recovery pursuant to the Term Finance Agreement dated May 22, 2018; (iii) 2% per annum from the seventh business day of the due date to the date of recovery pursuant to the Term Finance Agreement dated May 21, 2018; and (iv) 2% per annum from the seventh business day of due date to the date of recovery pursuant to the Finance Agreement dated October 18, 2018. Furthermore, the Plaintiff has also prayed for the attachment of the Company's properties including but not limited to all properties attached as security under the finance facilities availed by the Company.

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter a/io the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the suit is liable to be dismissed as it falls foul of Section 9 of the Ordinance; the Plaintiff has failed to disclose material particulars or identify the basis of the finance(s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to meaningfully defend itself; and the attached documents do not support the Plaintiff's assertions regarding the Company's alleged liability.

Along with the Plaint, the Plaintiff has filed (i) an application under Order 38 Rule 5 read with Section 151 of the Code of Civil Procedure, 1908 ("CPC") for the attachment of certain immovable properties of the Company (ii) an application under Order 39 Rules 1 and 2 read with Section 151 of the CPC, seeking to restrain the Company from inter alia, selling, transferring, alienating, or mortgaging its property, which the Plaintiff has alleged would cause irreparable loss and gravely prejudice its interests, and (iii) an application under Order 18 Rule 18 read with Section 151 of the CPC, requesting the Court to appoint the Nazir to prepare an inventory of all the assets available at various properties owned by the Company.

Ex parte ad interim orders were passed by the Court on 27 October 2022 directing the parties to maintain status quo.

The Company has filed its counter-affidavits to each of the above applications denying the averments made by the Plaintiff. It has been highlighted that the necessary ingredients for the grant of the relief being sought have not been met, particularly as the Plaintiff has not alleged any anticipated threat of removal or disposal of the Company's properties.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed.

HASCOL PETROLEUM LIMITED

NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2025

In response, an application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on inter alia the following grounds: no cause of action has been disclosed by the Plaintiff against the Company; the Plaintiff has failed to disclose or appropriately identify the particular finance(s) or finance facility(ies) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to know the case that has to be met by it; and the attached documents do not support the Plaintiff's assertions and fall foul of the disclosure requirements to be strictly met under the Ordinance. It has further been stated that since the statements of accounts attached as annexures in the suit fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'. Additionally, the statements of accounts attached by the Plaintiff are not certified according to the Bankers Evidence Act.

Simultaneously with the suit, the Plaintiff has filed an application under Section 16 of the Ordinance for attachment of the property owned by the Company till the final decision of the recovery suit, thereby seeking to restrain the Company from inter alia, selling, transferring, alienating, or mortgaging its property, which the Plaintiff has alleged would cause irreparable loss and gravely prejudice its interests.

In response to the above application for attachment of properties, a counter- affidavit has been filed on behalf of the Company on the grounds that the application is not maintainable under the Ordinance, as the properties in question have no nexus with the Plaintiff. Notwithstanding this, the Plaintiff has not provided any basis for apprehension of disposal of the properties.

In response to the Company's leave to defend application, the Plaintiff has submitted a replication requesting the Court to dismiss the Company's application for leave to defend.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed; and the Plaintiff will not succeed at the inter partes hearing to attach or otherwise adversely affect the Company's properties. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

b) Suit no B-22 of 2023

The Plaintiff has filed a suit for recovery under Section 9 of the Ordinance of an amount of PKR1,029,360,639.95 along with mark-up and cost of funds, under a Diminishing Musharaka Finance facility allegedly availed by the Company from the Plaintiff bank. The Plaintiff has also prayed for a permanent injunction against the disposal or creation of third-party interests on certain mortgaged and hypothecated properties; and the sale and attachment of specified mortgaged and hypothecated properties of the Company.

The Company has filed its application for leave to defend under Section 10 of the Ordinance seeking that the suit be rejected and/or dismissed on the basis that it is not validly instituted, and falls foul of the requirements of Section 9 of the Ordinance for inter alia the following reasons: failure of the Plaintiff to disclose the cause of action or the disbursements made against any identified finance (the term as defined under the Ordinance) facilities claimed to be extended by the Plaintiff.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

Meezan Bank Limited

The Plaintiff has filed a suit under Section 9 of the Ordinance against the Company and its former CEO/ Director, Mr. Mumtaz Hasan Khan (in his personal capacity as a guarantor of the Company's liabilities), for the recovery of PKR 4,580,304,393 against several finance facilities allegedly availed by the Company from the Plaintiff bank. The Plaintiff has also prayed for the attachment of the Company's properties for the settlement of the alleged outstanding amount (a separate application seeking an interim injunction or attachment of the properties has not been filed).

In response, the application for leave to defend under Section 10 of the Ordinance has been filed on behalf of the Company on the grounds, inter alia, that: no cause of action has been disclosed by the Plaintiff against the Company; the Plaintiff has failed to disclose the particulars of the amounts claimed and finance (s) (as defined in the Ordinance) allegedly availed by the Company so as to allow the Company to know the case that has to be met by it; and the attached documents do not support the Plaintiff's assertions. Since the statement of accounts attached as an annexure in the suit itself fail to establish any nexus with the alleged facilities in question or any disbursements to the Company of the amounts under dispute, the assertions of the Plaintiff stand unsubstantiated in establishing an 'open and shut case'. Additionally, the statement of accounts attached by the Plaintiff are not certified according to the Bankers Evidence Act. It has also been highlighted that the Plaintiff has failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder in the suit. The parties have entered in to out-of court settlement and this suit is disposed of accordingly.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed.

It has also been highlighted that the Plaintiff has failed to show the nexus of the Hypothecation Agreement dated 12 October 2018 to the facility under dispute, and would also be in violation of the Agreement in the event that it seeks to enforce the securities created thereunder in the suit.

It is our view that the application for leave to defend filed on behalf of the Company is likely to succeed.

NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS

FOR THE SIX MONTHS PERIOD ENDED JUNE 30, 2025

The Company's application was filed along with an application for condonation of delay, as the Additional Registrar had incorrectly observed that the leave to defend application was not filed with the prescribed 30 days' period under the Ordinance. The condonation application has been filed on the grounds that notice of the suit was never validly served on the Company under Section 9 (5) of the Ordinance and therefore, the question of limitation does not arise. Even otherwise, the leave to defend application was filed within time for being submitted within 30 days of actual notice of the suit.

A full inter partes hearing of the Company's condonation application has concluded and orders are reserved by the Court.

It is our view that the application for condonation as well as leave to defend filed on behalf of the Company are likely to succeed.

Habib Bank Limited

The Plaintiff filed a suit for recovery under Section 9 of the Ordinance in respect of an amount of PKR 5,822,624,391.84, along with future mark-up, cost of funds costs of the Suit, and liquidated damages at the rate of 20% per annum in respect of finance facilities alleged to have been availed by the Company.
